EFFECTIVE April 11th, 2016 (Replaces September - 2015)

PRICES:

PRICES ARE NET. No further discounts apply on all pages.

TAXES:

All Taxes (GST & PST) are extra where applicable.

TERMS:

Net 30 days (with approved credit). 2% interest per month charged on past due accounts.

FREIGHT TERMS:

Title for goods shall pass to the purchaser immediately upon delivery to the carrier. All prices are F.O.B. our warehouse. FREIGHT PREPAID ON SHIPMENTS OVER \$2,000.00 (FOR LOCAL SHIPMENTS ONLY). Additional charges shall be applied for optional freight services: Air or overnight delivery, tail/lift gate delivery. For shipments outside the greater Vancouver, Calgary and Edmonton areas, please contact your local NFE sales representative for special terms and conditions.

LOCAL DELIVERY CHARGE:

Local shipments that do not qualify for prepaid freight can be delivered within the greater city limits by N.F.E.'s trucks for a nominal local delivery charge (added to invoice). Contact NFE for current rates.

RETURN GOODS:

Return no materials without written permission and return goods authorization number. All returned goods are subject to 20% handling charge (minimum \$40.00) and freight both ways.

MINIMUM CHARGE:

\$50.00 plus freight and applicable Provincial Sales tax.

SPECIAL ORDERS:

Many items are supplied to order. No cancellation will be accepted for these items, not regularly stocked when placed in production. A written purchase order must accompany all special orders.

LIABILITY:

We accept no liability for costs of field labour, or materials to adjust, change or correct any products, except by our written permission.

It is understood the buyer upon delivery will store all products in a dry safe place to protect from rain and dampness.

WARRANTY:

Warranties vary depending on the type of product. Please contact Customer Service for further information. We would be happy to assist.

CLAIMS:

Any shortage or error in shipment must be reported within 5 days. Damaged or lost goods should be reported to the carrier and shall be the responsibility of the buyer.

FIRE HOSE HYDROSTATIC TESTING AND REPAIRS

We are pleased to offer complete testing and repairs to building fire protection rack hose, as well as industrial, municipal and forestry fire hose of all types and sizes.

NOTE: It is strongly recommended that all repairs and or re-coupled hose be hydro-statically tested for quality assurance. National Fire Equipment Ltd. cannot be responsible for coupling failure in the field if this testing has not been performed

When removing hose for hydro testing, ensure that any pressure restricting discs in the female couplings are removed and left in the cabinet or tagged to ensure discs are reinstalled at proper floor level.

Repairs to used hose and couplings are not covered by NFE's standard warranties. Please contact us for more information

Extra time charges apply for tangled hose or unbanned hose dropped off for testing.
