Comments: Please advise of dates available in October so the work can be scheduled.

- Please confirm liability insurance and WorkSafeBC coverage prior to commencing the project. Funds cannot be released without confirmation that your WorkSafeBC and insurance coverage is in good standing. WorkSafeBC coverage and liability insurance must be in the name of the company the contract has been awarded to.
- The strata corporation reserves the right to retain a 10% deficiency holdback.
- FirstService Residential BC Ltd. is the agent for the strata corporation and not a party to this contract.
- FirstService Residential BC Ltd. must be advised of any subcontractors used by the contractor for this project (current WorkSafeBC clearance and proof of liability insurance must be provided for the subcontractors).
- If this is a contract involving heights, a fall protection plan must be in place in accordance with WorkSafeBC regulations.
