Features

Tracking

FedEx Mobile at **fedex.ca** lets you track your shipments, just as you would on **fedex.ca**; simply type in your tracking number, and click the track button.

Shipment Notifications

Let FedEx® tell you when your package is delivered. Simply give us your email address, and we'll send you a note when your shipment has been delivered or if an exception has occurred.

Locator

Enter a postal code, address or phone number and FedEx Mobile at **fedex.ca** will help you get to the nearest FedEx Office™, FedEx World Service Centre™, FedEx Authorized ShipCentre® locations or FedEx Express® Drop Box.

Rate and Transit Time Quotes

Get a quick quote, or log in to access your own account to get accurate and reliable quotes and estimated delivery dates while you are on the road.

Schedule a Pickup

Schedule a courier pickup at your business location, even when you're away from the office.

To learn more, visit **fedex.ca/mobile** or to get started on your mobile device go to **m.fedex.ca**.

FedEx Mobile for BlackBerry®, FedEx Mobile for iPhone and iPad, and FedEx Mobile for Android™

These mobile applications help you keep track of all your shipments automatically. Advanced tracking functionality sends your package status updates directly to your mobile device. Plus, they're fully synchronized with FedEx Desktop and FedEx InSight®.

You will need a **fedex.ca** user ID and password to take full advantage of these applications. You can sign up for one at **fedex.ca**.
