

# TRUCKED LIQUID WASTE

FACILITY-USE PROGRAM DRIVER SIGN-OFF SHEET

Required before use of any Metro Vancouver TLW facilities

## HAULER INFORMATION (Print)

Company Name

Account Number

I have reviewed the offload procedure videos for the following wastewater treatment plants (WWTPs) (please check all that apply):

- ☐ [Annacis Island WWTP](#)
- ☐ [Iona Island WWTP](#)
- ☐ [Northwest Langley WWTP](#)

By signing this document, the Trucked Liquid Waste (TLW) Driver acknowledges that they understand and will carry out their obligations for using Metro Vancouver TLW facilities, including, but not limited to, the following:

- Reviewed and understand driver requirements from the TLW Offload Procedure videos.
- Reviewed and understand driver requirements from the TLW Procedure Manual.
- Keep the TLW facility neat and clean: using trash receptacles; draining transfer hoses; washing down work areas.
- Disconnect transfer hoses and not allow hoses to drop on camlock fittings before driving away from the TLW facility.
- Filling out manifests completely and legibly: leaving in the designated drop-off locations.
- Ask for assistance or notify WWTP Operations staff of any items requiring attention.
- The TLW hauling company and/or the Driver may be responsible for any costs incurred to rectify damages or replace equipment and may lose access privileges to TLW facilities at Metro Vancouver's discretion.
